Summary

Hi, I'm Arda. I am a student at Işık University, Department of Management Information Systems. I am looking for an opportunity that will allow me to combine my passion for Software Development and IT and start a career in the tech industry. I enjoy working with different people and creating solutions to difficult problems.

Experience

Işık University
Student Assistant
2022-2023

Projects

Password Generator
Pseudorandom password generator made with Python
